FORD EMPLOYEE PURCHASE PROGRAM: program expires December 30, 2011

Blue Line's PowerCost Monitor WiFi Edition Bundle wirelessly sends your real-time energy use to People Power or Microsoft Hohm. You can view and track changes in energy use almost instantly, discovering potential energy waste in your home and areas where you can save.

As a Ford Employee you have been offered special pricing! You'll need the PowerCost Monitor WiFi *and* the PowerCost Monitor to see your data in People Power or Microsoft Hohm. If you already own a PowerCost Monitor, you can purchase the PowerCost Monitor WiFi Gateway accessory separately. For full details on each product, please see the following links:
