

LINCOLN

2012 LINCOLN NAVIGATOR

The 2012 Lincoln Navigator and Navigator L continue to raise the bar the vehicle helped define by offering timeless design and luxury amenities that give it a level of performance and style that truly sets it apart in the premium full-size luxury SUV market.

NEW AND NOTABLE

- Navigator now offers Lincoln SYNC® AppLink™, a software application that gives Lincoln SYNC users hands-free voice control of select smartphone apps
- New integrated blind spot mirrors are now standard
- Two new colors are available: Autumn Red Metallic and Black
- Two new wood trim configurations to accompany the leather interiors: walnut swirl wood and olive ash

POWER

Navigator is powered by a quiet and smooth 5.4-liter SOHC V8 engine that produces 310 horsepower at 5,100 rpm and 365 lb.-ft. of torque at 3,600 rpm when running on regular gasoline.

With three valves per cylinder and variable camshaft timing, the engine provides confident power to accelerate effortlessly to cruising speed and at the same time has powerful low-end capability for maximum towing capacity when properly equipped.

IMPRESSIVE TECHNOLOGY

Navigator occupants enjoy superb audio sound quality as Lincoln is the only car manufacturer in the world to offer the THX® II Certified Audio System, which comes with AM/FM/MP3 capabilities and a six-disc, in-dash CD changer.

Voice-activated touch-screen Navigation System with HD Radio™ technology, SYNC and SiriusXM Travel Link is standard equipment to help 2012 Lincoln Navigator owners stay connected without taking their eyes off the road.

FUEL ECONOMY

Front-wheel drive: 14 mpg city/20 mpg highway

All-wheel drive: 13 mpg city/18 mpg highway

Did you know? All Lincoln vehicles come with complimentary maintenance for the first 12 months/15,000 miles in service
