SYNC Traffic, Directions & Information Services

SYNC TDI users simply say the command "Services" to access a wide range of cloud-based "on-demand" voice-activated features and information, including turn-by-turn navigation, traffic, news coverage, sports reports, weather forecasts and business searches. New Services are now available at no additional charge to current and future SYNC TDI users: Horoscopes, Stock Quotes, Movies, and Travel, offering a direct connection to 150 airlines, 50 hotel chains, and 11 of the largest rental car companies in the U.S.
