

VEHICLE FEATURES

Tough play requires a tough truck. With a roomy truck bed, working tailgate and eye-catching “chrome” wheels and grill, the new Power Wheels F-150 is rough, rugged and fun to drive—just like the real thing!

BUILT TOUGH

Every budding driver needs a truck that will carry them through the toughest backyard driving conditions – proven tough, Monster Traction™ drive system allows kids to drive on hard surfaces, wet grass and bumpy terrain.

2015 POWER WHEELS® F-150

Inspired by the highly-anticipated all-new Ford F-150 – you too can be a “Built Ford Tough” driver in the brand new Ford F-150 truck from Power Wheels®.

TUNES

Whether conquering your backyard or the neighborhood sidewalk, no cruise is complete without a few tunes – rock out with a working FM radio and MP3 jack.

DRIVETRAIN

The 12-volt battery combines dynamic raw power with efficiency.
