

GLOBAL AWARD WINNERS

Safety Innovation in Manufacturing Operations

Taubate Site – Construction and Service Supplier Safety Board [\(Link\)](#)

Safety Innovation in Non-Manufacturing Operations

Global Proving Grounds/VEV – Injury Mitigation for High Risk Off-Road Testing [\(Link\)](#)

Recognition and Engagement

Ford Otosan Kocaeli Yenikoy – Are Mommy and Daddy Home Yet? [\(Link\)](#)

Excellence in Health

Sanand Assembly – Clean Drinking Water [\(Link\)](#)

Own Safety Together

Sean Coughlin and **Mark Jones** – UAW-Ford National Joint Committee on Health and Safety

Roman Krygier Health and Safety Leadership Award

Li Jianping, Senior Director of Manufacturing, Asia Pacific

David Payne, Manager, VEV Operations, Product Development

REGIONAL AWARD WINNERS

Safety Innovation in Manufacturing Operations

Asia Pacific:

- **FTM Assembly** – Collaborative Robots [\(Link\)](#)
- **Changan Ford** – Safety Andon in CAF Plants [\(Link\)](#)

Europe MEA:

- **Dagenham Engine** – Safe Systems of Work for Handling Rotating Tools [\(Link\)](#)
- **Ford Otosan Kocaeli Golcuk** – New Approach to ECPL Training [\(Link\)](#)

South America and Mexico:

- **Cuautitlan Assembly** – PMHV Safety Innovation [\(Link\)](#)
- **Hermosillo Stamping & Assembly** – Zero Personnel Exposure on Robot High Voltage Measurement [\(Link\)](#)
- **Sao Bernardo Assembly** – Learning Center Work Simulation [\(Link\)](#)

U.S. & Canada:

- **Cleveland Engine Plant** – Lifting and Rigging Improvements [\(Link\)](#)
- **Lima Engine Plant** – Ergonomic Work Station Reference Guide [\(Link\)](#)
- **Ohio Assembly Plant** – Safety Talk Cascade Process [\(Link\)](#)

Safety Innovation in Non-Manufacturing Operations

Asia Pacific:

- **Chennai Site IT** – IT Safety Engagement Program ([Link](#))

Europe MEA:

- **PDC Estrees-Saint-Denis** – French PDC Ergonomic Improvement ([Link](#))

South America & Mexico:

- **Tatui Proving Ground** – Runoff Areas at Tracks ([Link](#))

Safety Recognition and Engagement Award:

Asia Pacific:

- **Changan Ford** – Safety Culture Communication ([Link](#))
- **Chennai Assembly** – Innovative 5C Concept ([Link](#))

Europe MEA:

- **Craiova Assembly** – Safety Events Initiative ([Link](#))

South America and Mexico:

- **Camacari Assembly** – Implementation of Autonomous Maintenance for Industrial Robots ([Link](#))
- **Hermosillo Assembly** – Health and Safety Deep Knowledge Championship ([Link](#))

U.S. and Canada:

- **New Model Program Development Center** – Safety Recognition Program ([Link](#))
- **PTME/PD/PTO** – Ergo Action Days at DEP ([Link](#))
- **Windsor Site** – Safety Communication Campaign ([Link](#))

Excellence in Health Award

Asia Pacific:

- **Chennai Engine Plant** – Upgrades to Mist and Dust Collection System ([Link](#))
- **Lio Ho Assembly** – Colorectal Cancer Screening Program ([Link](#))

Europe MEA:

- **OHD Cologne & FFO** – Sustainable Business Run ([Link](#))
- **Valencia Assembly** – Proactive Physiotherapy ([Link](#))

South America & Mexico:

- **Cuautitlan Assembly** – Preventive Screening Integrated Campaign ([Link](#))
- **FSA Health – HR** – Smoke Free Workplace ([Link](#))
- **Hermosillo Stamping and Assembly** – Four Pack Program for Healthy Lifestyle ([Link](#))

U.S. and Canada:

- **Lima Engine** – ERT Ready Bag Kits ([Link](#))
- **PTI CAE** – Healthy Living Series ([Link](#))

Best in Ford Safety Awards
BASED ON LOWEST DAYS AWAY RESTRICTED TIME (DART) RATE, 2013-2015

Asia Pacific

Engine Plant: Chongqing Engine

Transmission Plant: Chongqing Transmission

Vehicle Operations: Chongqing Assembly 1

Vehicle Operations: Auto Alliance Thailand

Non-manufacturing Facility with < 100 employees: CSD New Zealand

Non-manufacturing Facility with > 100 employees: Nanjing Research and Engineering Center

Europe and MEA

Powertrain: Craiova Engine

Powertrain: Struandale Engine

Vehicle Operations: Craiova VO

Vehicle Operations: Ford Sollers – St. Petersburg

Non-manufacturing Facility with < 100 employees: PDC Estrees-St. Denis

Non-manufacturing Facility with > 100 employees: Aachen Research Center

South America and Mexico

Powertrain: Chihuahua Engine

Powertrain: Chihuahua Diesel

Vehicle Operations: Troller Plant

Vehicle Operations: Cuautitlan Manufacturing

Non-manufacturing Facility < 100 employees: Tatui Proving Grounds

Non-manufacturing Facility > 100 employees: Mexico General Offices

U.S. and Canada

Engine Plant: Cleveland Engine Plant

Transmission Plant: Van Dyke Transmission Plant

VO - Stamping: Buffalo Stamping Plant

VO - Assembly: Ohio Assembly Plant

Non-manufacturing Facility with < 100 employees: Greensboro HVC

Non-manufacturing Facility with > 100 employees: Dearborn R&E Center

Health and Safety Professional of the Year Awards

- **Jose Jaime Casas Gutierrez**, Risk Manager, Cuautitlan Stamping and Assembly Plant
- **Pascal Latournerie**, Safety Manager, Bordeaux Plant

Career Achievement Awards

"In recognition of a career spent protecting the safety of the men and women of Ford Motor Company"

- **Randy Smitt**, VOME Safety Engineer, Dearborn
 - **Dennis Graham**, MP&L Safety Manager, Dearborn
 - **Dr. Remi Letrequesser**, Physician, Bordeaux Site
-

Special Contribution Awards

Asia Pacific:

- **Chennai Assembly, Body Construction Team** – Eye Injury and Weld Fume Reduction Initiative
- **Lio Ho Assembly, Body Construction Team** - Model Line Competition for Employee Safety Awareness
- **Sanand Assembly, Body Construction Closures Team** –2.5 Years+ of Safety Green Days

Europe MEA:

- **Cologne Engine** – Health Advisors
- **Genk Decommissioning Team** – Safe Idling and Decommissioning of the Plant
- **Graham Edwards, TOPS Europe** – Exemplary Leadership in Safety
- **Javier Gisbert Galiana, Valencia Assembly** – Passionate Safety Role Model for Safety Leadership
- **Luis Rafecas, Valencia VO** – Continuous and Effective Leadership in Pedestrian-PMHV Safety

South America and Mexico:

- **Hermosillo Stamping and Assembly, Quality Control and Paint Team** – 1069 Days Without a Lost-Time Case
- **Taubate Site** – ROCAM Engine Plant Decommissioning

U.S. and Canada:

- **Dearborn R&E, Product Development** – Full-Scale ERP Integrated IC Exercise
- **Livonia Transmission Plant Team** – New Hire Safety Orientation
- **Paul Kosaian, Director of Manufacturing, Stamping Operations** – Outstanding Leadership in Safety
- **Sara Tatchio and WHQ Communications Team** - Safety Communication Campaign

Lifesaving Awards
In Recognition of Lifesaving Interventions

- **Auto Alliance Thailand** – Response to medical emergency
- **CAF2 Medical Staff** – Response to Medical Emergency
- **Chennai Assembly team, M. Balapathiran, G.V. Narayanamurthy, M.D. Vijay Kumar, Ramesh, C. Stanislaus and others**– Rescue of coworkers from severe flood
- **Chennai Assembly, V. Bharathkumar and S. Saminathan** – Lifesaving response to road accident
- **Cleveland Engine Plant ERT**–Response to stroke victim
- **Cologne Fire Brigade and Medical** – Response to cardiac arrest
- **Craiova Assembly Medical**– Medical assistance to child suffering from cardiac condition
- **Dearborn Truck Plant ERT & Rouge Fire and Security** – Lifesaving response to unresponsive employee
- **Elabuga Assembly Plant, Dr. Pjeter Kochkarin** – Response to life threatening injuries
- **Flat Rock Assembly Plant ERT** – Response to cardiac arrest
- **Ford Thailand Manufacturing, ERT & Security** – Response to medical emergency
- **JMC Xiaolan team**- Emergency response to coworker injured in traffic accident
- **Hermosillo Stamping and Assembly, Guillermo Cadena** - Decisive action in response to fire at nearby facility
- **Hermosillo Stamping and Assembly, Ricardo Puebla Torres** – Response to coworker who fell from high location
- **Hermosillo Stamping and Assembly, Jose Felix** – Rescued coworker caught in machinery
- **Louisville Assembly Plant ERT** – Response to cardiac arrest
- **Oakville Assembly Plant Emergency Responders** – Response to cardiac arrest
- **Otosan Kocaeli (Golcuk)**– Lifesaving assistance to traffic accident victims
- **Saarlouis Assembly Plant Medical** – Response to heart attack
- **Sanand Assembly, Vikas Patankar and Jaydeepsinh Gohil** – Response to medical emergency outside of workplace
- **Sanand Assembly, Falgun Bhatt and Chirag Chandola** – Lifesaving aid to coworker with medical emergency
- **Shanghai Information Tower (SIT) Ford China MP&L, Ryan Garrity** – Lifesaving response to cardiac arrest
- **Southampton TOPS, Simon Spicer** – Performed Heimlich maneuver to save choking victim
- **St. Petersburg Assembly Plant, Dr. Gennady Gaplikov** – Assistance to traffic accident victim
- **Struandale Engine Plant, Yandiswa Dyosopu and Ayanda Oliphant** – Lifesaving response to unresponsive employee
- **Van Dyke Transmission Plant ERT** – Response to cardiac arrest
