STEAM PAPER FORTUNE TELLER

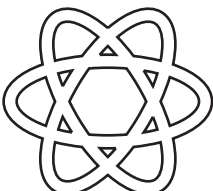

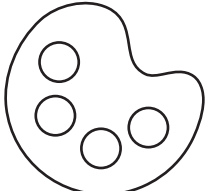

Directions:

Cut out square and fold as instructed below. Enjoy!

How to Play:

1. Play with a friend and have them choose one of the top four squares.
2. Look for the number on the square selected. Open and close the Fortune Teller the right number of times. Open up and down, and side to side as you count the right amount they picked.
3. Once you stop counting, look inside and let your friend pick again.
4. Count the numbers, open close, side to side, then choose again.
5. Whatever they choose, open the flap and read the fortune.
