

Mach 1

# MUSTANG MACH 1

## First time in Europe and ready for the track

### DESIGN

- Eight body colour and stripe combinations, gloss black grilles
- Five-spoke, low gloss Dark Tarnish 19-inch alloy wheels
- Low gloss Magnetic rear spoiler
- Ebony interior colour scheme with turned aluminium detailing finished in Dark Spindrift colour
- Leather heated and ventilated seats, White Cue Ball gearknob
- Unique Mach 1 interior and exterior badging
- Dashboard plaque featuring build number

### SUSPENSION & AERODYNAMICS

- Stiffer front springs and anti-roll bars matched to MagneRide® adjustable dampers with bespoke calibration
- New to Europe toe-link components and subframe with stiffer bushing for precise control
- Specially calibrated EPAS software for assured steering response
- Optimised front splitter, undertray and Shelby GT500 specification rear diffuser for 22 per cent downforce increase and enhanced brake cooling
- Bespoke rear spoiler for neutral aero balance

### PERFORMANCE

	5.0-litre V8 6-speed manual	5.0-litre V8 10-speed automatic
Max speed (km/h)	267	249
0-100 km/h (sec.)	4.8	4.4
0-400 metres (sec.)	13	12.6
100-0 km/h (metres)	31.8	31.9

### POWERTRAIN

- 5.0-litre V8 uniquely calibrated for 460 PS at 7,250 rpm and 529 Nm at 4,900 rpm
- Open Air Induction System and Active Valve Performance Exhaust for improved response and sound quality
- Additional engine oil cooler increases cooling capacity by 50 per cent
- Choice of TREMEC six-speed, twin-clutch manual transmission with rev-matching, short-throw shift and Shelby GT350 oil cooler, or 10-speed automatic with upgraded torque converter, bespoke software and additional air-to-oil cooler
- Limited-slip differential and rear axle cooling system
- High performance brake booster with faster response time

Mustang Mach 1 460 PS 5.0-litre V8 six-speed manual homologated CO<sub>2</sub> emissions 284 g/km and homologated fuel efficiency 12.4 l/100 km WLTP. Mustang Mach 1 460 PS 5.0-litre V8 10-speed automatic homologated CO<sub>2</sub> emissions 270 g/km and homologated fuel efficiency 11.7 l/100 km WLTP. • The declared WLTP fuel/energy consumptions, CO<sub>2</sub>-Emissions and electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. • MagneRide® is a trademark of BWI Group.
